

## Scientific activity

<b>T.p</b>	<b>Name</b>	<b>Academic degree and title</b>	<b>Specialty code and name</b>	<b>Dissertation theme</b>
1	Alijanov Jabbar Akilbekovich	PhD	05.07.01-Agricultural and melaration machines. Mechanization of agriculture and melaration	Complex solution of food preparation mummies on small-scale farms
2	Jumatov Yakubbay Karimbayevich	not	05.07.01-Agricultural and melaration machines. Mechanization of agriculture and melaration	A comprehensive solution to the problem of raw food production in small-scale farms.
3	Gapparov Shokir Khasanovich	not	05.07.01-Agricultural and melaration machines. Mechanization of agriculture and melaration	Substantiate the parameters and operating modes of the food preparation device
4	Yusupov Sherzod Alisherovich	not	05.07.01-Agricultural and melaration machines. Mechanization of agriculture and melaration	Establishing a multi-dimensional ribbon for the vertical spindle movement of the cotton picking machine
5	Ashurov Nurali Abdujalilovich	not	05.07.01-Agricultural and melaration machines. Mechanization of agriculture and melaration	Development and justification of parameters of straw loader for grain harvesters on dry lands

---

6	Rakhimov Yunus	not	05.07.01-Agricultural and meleration machines. Mechanization of agriculture and meleration	Development and substantiation of the process of self-lubrication
7	Turdibekov Akrom	not	05.07.01-Agricultural and meleration machines. Mechanization of agriculture and meleration	Scientific and technical solutions of grain harvesters operating in "smart" mode
